# Welcome to Fairborn, Ohio

Welcome to Ohio and to our Riverside Research Fairborn Research Office. Our office is strategically located in Fairborn with easy access to Wright-Patterson Air Force Base, numerous major highways, and an abundance of shopping and dining options.

## FAIRBORN FACILITY FEATURES

- Wright-Patterson AFB is nearby and is the largest, most diverse, and organizationally complex base in the Air Force. Missions include acquisition, logistics management, research and development, education, flight operations, and many others.
- Minutes from the Open Innovation Center that is dedicated to promoting collaborative, multi-disciplinary research within Riverside Research and among industry, academia, and our customers.
- Close proximity to numerous hotel accommodations.
- Immediate access to Interstate 675, providing direct connection to US-35 and I-75.
- Near the The Mall at Fairfield Commons where a variety of shops and restaurants are located.
