

SUGGESTED SOLUTIONS (ODD)

CHAPTER 22

22-1. Consult the CIA World Factbook at [http:// www.ciaworldbook.us](http://www.ciaworldbook.us) .

SUGGESTED SOLUTION:

- a. How much oil does the island nation of Bermuda import per day? 4250 barrels/day
- b. What commodities does Switzerland export? Machinery, chemicals, metals, watches, and agricultural products
What of the estimated total value of these exports? \$ 201 Billion dollars
- c. Select a “country” from the alphabetical list that you have never heard of. What is its location (include latitude and longitude)? What is its population? For example, Clipperton Island, off the western coast of Central America (10.17 N, 109.13 W) with no population (uninhabited)
